PUBLIC INVITED TO HARRIS COUNTY
Hazard Mitigation Planning Meeting

Harris County and participating jurisdictions are working to update the Harris County Multi-Hazard Mitigation Action Plan (MH-MAP). The Plan identifies natural hazards affecting Harris County and various mitigation strategies and actions to lessen the impact of disasters.

Harris County has established a Steering Committee that is multi-disciplined and represents the entire Planning Partnership to update the Harris County Multi-Hazard Mitigation Action Plan. The Steering Committee will meet bi-monthly through the course of this update process.

The Steering Committee meetings are open to the public. Residents, neighboring communities, and stakeholders are invited to participate in the plan update. Public comments will be received at the Steering Committee meeting and at future meetings that will be announced at www.readyharris.org/mitigation.

Harris County Multi-Hazard Mitigation Action Plan

Under the Americans with Disabilities Act, an individual with a disability must have equal opportunity for effective communication and participation in public meetings. Upon request, agencies must provide auxiliary aids and services, such as interpreters for the deaf and hearing impaired, readers, large print or Braille documents. In determining the type of auxiliary aid or service, agencies must give primary consideration to the individual’s request. Those requesting auxiliary aids or services should notify the contact person listed on the meeting notice several days before the meeting by mail, telephone, or RELAY Texas. TTY: 7-1-1.
